Disclaimer for Artificial Intelligence (AI) Generated Material

The following disclaimer must be applied to any material wholly or partially generated by AI:

This material may have been generated in whole or in part with the assistance of generative artificial intelligence tools or other automated technologies. The use of these tools is intended to augment and enhance the creation process, and to increase efficiencies. While Melbourne Polytechnic has used its best efforts to ensure appropriate attribution of source materials and respect for intellectual property rights, some inconsistencies or unintentional omissions may occur. Melbourne Polytechnic does not claim ownership of any third-party content that may have been incorporated inadvertently, and disclaims liability to the fullest extent permitted by law for any unintentional infringement of third party intellectual property rights. If you believe your rights have been infringed, please contact Melbourne Polytechnic so the matter can be addressed promptly.
