Walk-ins welcome

At Melbourne Polytechnic, we are proud to contribute to a sustainable future. Through our partnership with **Sustainable Salons**, we are taking action to reduce waste and drive meaningful change in the hairdressing and barbering industry.

This is a **training salon**, where services may take longer than in a regular salon. Our Certificate III students are at various stages of their training and are closely supervised by experienced, qualified educators.

We kindly ask for your patience and support in helping us create a positive and inclusive learning environment. Your understanding makes a world of difference to our students' growth and confidence.

Thank you for choosing us!

For appointments please contact:
